# Barn Workday

- ❖ Saturday, January 14th, at 8:30am is our next barn workday. Our January meeting will also take place on this day.
- ❖ Please remember, you are required to work at least 10hrs if you are planning on exhibiting an animal at our livestock show. If you are only planning on participating in our visual arts/horticulture show, than you are required to work at least 5hrs.
- ❖ Deadline to work barn workday hrs is March 27th.

# Barn Reminders

- \* Please make sure to dump your shavings in the middle of the field, NOT next to the barn.
- \* Shavings dumped close to the barn cause flooding hazards. (ex. Behind the swine barn)
- \* Please make sure to keep the alley-ways clean.
- \* Do NOT put "toys" in your pens. (Ex. Pig pens) Most animals will eventually bust/break the toys and chew them up. This causes a choking hazard to not only your animal, but others around you! If your animal dies, that is a BIG LOSS!
- \* Please, make sure that you keep your animals warm. It's getting cold. However, if it is above 60F-70F outside, then please make sure and DO NOT restrict airflow in the barns. Your animal and others need this to prevent health issues due to ammonia build-up in the barns.
- \* Do NOT go into other people's stalls/pens without prior permission.

# ✦ Sign up for the talent show

✦ \* If you would like to participate in the FFA talent show at district convention this year, please scan the QR code to sign up.

\* The talent show is something FFA does in April and if we are good enough we will perform in the summer. It is really fun to watch/do and if we win we can get money, anyone can sign up but be willing to go to practice whenever we make it.
