

GOAT SUPPLIES

Hang on Feeder

Water Bucket

Canvas Blanket

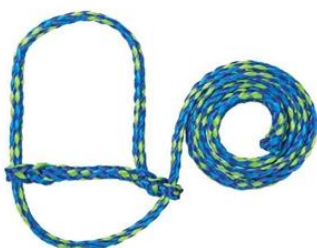

Sock

A sock does **NOT** replace a canvas blanket, it can be used with a blanket in extreme cold temperatures. A sock should be used to supplement the blanket, not instead of.

Rope Halter

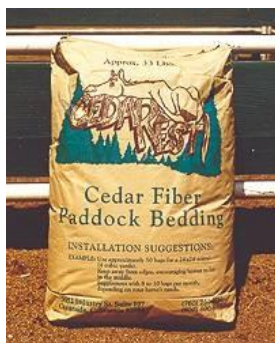

Goats use a goat show chain that either has a plastic or leather handle.

Bedding

Cedar Fiber

Pine Shavings

GOAT SUPPLIES

Water Hose

Muzzle

Poop Scooper

You want one with small slits to prevent the poop from falling through

Shampoo & Conditioner

Feed Scoop or 1 Lb Coffee Can to measure feed

Lockable Container to keep things in & Lock

GOAT SUPPLIES

Heat Lamp & Outdoor Extension Cord

Carabiners or Bungee cords

You will need to use them to secure your gate shut because the goats will learn to lick the open. You also need to secure your water bucket
